\*Divide a period line with a slash mark if taking two one semester courses.

\*Example: Health/Speech

\*\*Future Athletes will add one period of the sport with the exception of Football that will take two places in the above course selections.

If a student is approved for the team after try-outs, the counselor will omit one elective and add the second period of the sport.

\*\* Guthrie Center Courses take two places on the above form, meaning two class periods on a student’s schedule

\*\* GT students will not be able to choose GT at this time and must choose the PAP section. The counselor will change the student to the GT section when confirmed with the Dept. of Advanced Academic Studies.

\*\* Due to scheduling conflicts and class capacity, electives may be subject to change.
